Your application for the **CONSTRUCTION OF A 16.72 M2 (180 FT2) ADDITION TO THE PRINCIPAL DWELLING and OPEN DECK** is **CONDITIONALLY APPROVED** subject to the following Thirteen (13) conditions:

1. This Development Permit approval requires that the existing principal dwelling be connected to the available low pressure sewer system and the property's currently existing sanitary holding tank shall not be utilized beyond August 30<sup>th</sup>, 2026.
2. This Development Permit is issued subject to the following minimum yard setbacks:
  - i. East (FRONT) > or = to 6.1 Metres
  - ii. West (REAR) > or = to 1.5 Metres
  - iii. North (SIDE) > or = 1.5 Metres
  - iv. North (SIDE) > or = 1.5 Metres
3. The addition shall be located and constructed in accordance with the Floor Plan, and Building Elevations, provided by the applicant, and which form a part of this approval.
4. All municipal taxes have been paid or are current with the Summer Village of Yellowstone.
5. The applicant shall be financially responsible during the development of any damage caused by the applicant or contractors to any public or private property.

6. The applicant shall display the enclosed Public Notice in a conspicuous place on the subject property for no less than twenty-one (21) days after the permit's decision date.
7. Positive grading away from the structure is required to ensure proper drainage.
8. The applicant shall complete the property's grading to ensure that all surface runoffs do not discharge from the site onto adjacent lands.
9. No person shall keep or permit to be kept in any part of a yard any excavation, storage, or piling of materials required during construction unless all safety measures are undertaken. The property owners shall assume full responsibility to ensure the situation does not prevail longer than necessary to complete construction.
10. The applicant shall control the dust or other nuisance that would negatively affect the adjacent properties or the adjacent property owner(s) to the Development Officer's satisfaction.
11. The site shall be maintained in a clean and tidy condition during the construction of the accessory building. Receptacle for control and disposal of rubbish must be provided and regularly maintained.
12. The arrangements for the provision of sanitary facilities for the project site must be provided and maintained throughout construction, to the satisfaction of the Development Authority,
13. The applicant shall prevent excess soil or debris related to the construction from spilling onto the public roadways and shall not place soil or any other material on adjacent properties without permission in writing from the adjacent property owner(s).

NOTES (6):

- 1 Any development or activity commenced prior to the expiry of the appeal period is done so entirely at the applicants' risk.
- 2 This Permit approval authorization is for development under the Village of Alberta Beach Land Use Bylaw. The applicant is responsible for obtaining any and all licenses and/or approvals that may be required prior to commencing any development from Provincial and/or Federal Departments or Agencies, which may include, but not limited to:
  - Alberta Environment and Parks for any development within 30 metres of a wetland and watercourse;
  - Alberta Energy Regulator related to natural gas lines, pipelines, and power lines located on the lands; and
  - Alberta Utilities and Telecommunications related to telephone lines and utility services located on the lands.
- 3 The applicant is reminded that compliance with this approval requires adherence with all approval conditions attached hereto.
- 4 The landowners are encouraged to consider prohibiting residential fertilizer use on the lands.
- 5 The development permit is valid for twelve (12) months from the Effective Date. If the development or activity has not been substantially commenced upon expiry, this permit shall be deemed expired (null and void) unless the applicant has secured an extension from the approval authority.
- 6 This is NOT A BUILDING PERMIT and where required by any regulation, all necessary Code Permits shall be secured separately.
